Facing Unemployment?

Brevard Workforce offers the resources to help you find answers.

Class Descriptions

Basic Computer Skills | This class is designed to help people who have never used a computer before. We will concentrate on computer basics; how to use the mouse and keyboard.

Basic Computer Skills 102 | The student will learn basic computer terminology, how to open, move and save files, types of files, as well as how to work in more than one window at a time.

Budget Basics | Learn to prepare a budget, reconcile accounts and stretch dollars.

Building a Basic Website Business | Learn how to build a basic website business using template website products (Go-Daddy, Vista Print) or construct one for yourself to fit your business needs. Also discussed will be a few social networking tools to make your audience aware of your new business

Foreclosure Avoidance Strategies | A Foreclosure Prevention Workshop which will outfit the property owner with critical information in order to avoid foreclosure, to understand available options and to develop a viable plan of action.

How to Succeed at the Toughest Job in the World | At the heart of every endeavor is a relationship. In this workshop you will learn strategies to move forward in life and get the job you want.

LinkedIn | In this workshop the student will learn LinkedIn's purpose in job searching. In addition, the student will create an account, set up their profile and learn to manage their settings.

Navigating Your Health Insurance Options | Take a proactive approach to planning your individual health insurance needs and understand choices other than COBRA.

Mortgage Choices – FL Hardest Hit & Foreclosure Avoidance Options | Information for distressed property owners focusing on the FL Hardest Hit Mortgage Assistance Fund for unemployed and underemployed homeowners. Foreclosure avoidance will be covered during the second half of class.

Social Networking for the Entrepreneur | Building a platform and using social networking tools to your best advantage to promote your business. Identifying Social Networking; what they are and why to use them. Make yourself a You Tube channel

Understanding Your Expenses | Do you understand your monthly expenses versus monthly income? Do you know where you can cut back and save money? Learn money saving tips in your everyday shopping and run your household like a business!

Understanding Your Health Insurance Options | Whether you are transitioning between jobs, starting a new business or suffered a job loss, what private and public health insurance options are available in Brevard County.

These no-cost sessions are open to the public and pre-registration is required.
