Ebay: Buying and Selling | Learn the basics of setting up an account to purchase or sell items via Ebay.

Financial Empowerment 101: Making Your Money Work Harder for You |

Becoming debt free and financially independent is something that everyone wants, but few have a strategy to get there. Strategies to get you there faster and more efficiently will be discussed. Topics will include: Reasons why people don't do as well as they could financially, Rule of 72, How Debt works, Retirement finance fundamentals, and creating your financial legacy.

Making That First Impression | Are you at your best during the interview? How do you get there? Impress your interviewers, learn to handle yourself during network settings and answer all questions with clarity. Represent yourself with your best marketing strategy; your voice, your clarity and your prowess!

Navigating Your Health Insurance Options | Take a proactive approach to planning your individual health insurance needs and understand choices other than COBRA.

Restore and Control Your Credit Future | In this class, discover how Credit Scores are calculated, How paying your bills on time does NOT equal a good credit score, Tips on credit recovery and enhancement and more!

Using LinkedIn for Researching and Networking | The majority of employees obtain their employment through some element of networking. This workshop will focus on the ways you can use LinkedIn to network and to research your industry, research a company, and learn about job openings. We will discuss the value of joining LinkedIn groups. This is not a "hands-on" session and will not include how to create a LinkedIn profile.
