Finding the Right balance ~ First Impressions really do count!

At CareerSource Brevard, we recognize that dressing for an office visit compared to dressing for an interview is different. For this reason, we have revamped our requirements.

If you are visiting the career center to conduct job search related activities including attending workshops and/or one-on-one appointments, all we ask is that you are neatly dressed.

Here are some examples of what not to wear:

- Shorts, skirts, or dresses that are above mid-thigh
- Bedroom slippers
- Shirts with offensive logo and/or language
- Pants sagging below the waist
- Beachwear
- Spaghetti strap tops, halter tops, short revealing shirts and blouses

If you are visiting the career center to interview with a perspective employer(s), please be advised that you will not be permitted to interview with on-site employers if you are wearing clothing that is categorized above as what not to wear.

Here are some examples of what to wear to interviews:

Men:

- Dress slacks/long pants with a dress shirt or sweater. Blazer and tie are optional & depends on the type of position you are interviewing for and/or place of employment.
- Dress shoes, dress boots, loafers, and socks.

Women:

- Dresses or skirts at or below the knee; dress slacks; sweaters and blouses; dress shoes; dress sandals, or flats. Suits are optional and depends on the type of position you are interviewing for and/or place of employment.

Our focus is to continue to provide you the tools & advisement that you need to attain new or better employment while maintaining a professional and comfortable environment for everyone at the career centers. Please know that there are employers visiting the career centers very frequently and are looking for candidates like you to potentially interview and hire. For this reason, we want you to be dressed appropriately. **You may not get a second chance to make a good first impression!**

If you are in need of business casual or professional attire, please consult with a CareerSource Brevard Associate for information on community resources.
