

Educational Capacity vs. Enrollment in Healthcare Programs in Brevard County

UCF College of Nursing – Cocoa Campus
BSN Program

Capacity was raised in Spring 17 from 36 to 45

Per Charlotte Neubauer, Site Coordinator, UCF – Cocoa, all seats were filled. Concerned that they will not be able to develop enough local clinical placements especially in specialty and practicum. Primary concern is in Pediatrics. Charlotte has asked that this concern be raised by the Committee at the April 25th Consortium.
